Chinese Cinnamon Vine Tubers or Roots.

(DIOSCOREA BATATAS.)

DEAR FRIEND:

We suggest that you give the Cinnamon Vine a good display in your Catalog. They are grand sellers—better even than Roses, and so much nicer to handle—being light, dry and clean. Cinnamon Vines are wonderful climbers, unique, beautiful and fragrant. Best of all they ALWAYS grow and are SURE to please. Sales greatly increase every year. They have no rival.

One of these attractive cuts in your catalog, with a good offer, will bring you a surprising lot of business, and fully two-thirds of money you receive is clear profit.

We are Headquarters for true stock—largest growers in the world. Never before have we had so large and fine a crop of "git edge" tubers (or roots). We can ship any time—but please order early, that you may have them when needed. You can safely mail or express them all thru the winter. They never rot or dry up.

We are pleased to make you the following extreme low prices for early orders:

Largest Tubers, about 6 to 12 inches long,
 100 for \$2.50; 500 \$12.00; 1000 \$20.00; 2000 \$38.00.

Medium Tubers, about 3 to 6 inches long,
 100 for \$1.75; 500 \$8.50; 1000 \$14.00; 2000 \$26.50.

10 per cent. discount if 5,000 tubers are ordered early,—or 15 per cent. discount if 10,000 or more tubers are ordered.

ALL EXTRA SELECTED STOCK. No charge for packing or boxing.

Terms:—June 1st, 1905. Five per cent. additional discount if ordered and paid before January 1st. Cash or good reference required from unknown parties.

Electros. Your choice of these free with orders for tubers. Postage on electros (if mailed) 10 to 35 cts. each. Use showy cuts as possible. THESE BRING THE ORDERS.

May we send you one of the best electros and 5,000 tubers—or book your order for same?

We will send you a more extended description of the Cinnamon Vine, with testimonials if desired.

Special. We quote 3rd size or quality tubers—fair stock—sure to grow, in lots of 10,000 or over at \$10.00 per M. (Not less than 10,000 sold.) These are just the type to use in an advertisement, or in a cheap Collection. Try them. THEY WILL "PULL."

Contracts made now for growing Cinnamon Vine Tubers coming season in any quantity.

A HINT. Colored Plates are cheap now, and the Cinnamon Vine will make a beautiful picture and attract buyers everywhere.

Please write. We hope to hear from you.
